About Maytronics

Nobody knows robotic pool cleaners like Maytronics – the company behind industry-leading Dolphin robots. For more than 30 years, we have been developing robotic cleaning solutions for the world's swimming pools.

Starting in 1983, we pioneered automated electronic pool cleaning technology. Today, Maytronics remains the market leader, continually setting new standards for technological innovation, design and reliability.

In everything we do, we strive to make pool owners' and users' lives easier and more enjoyable.

Our goal: to enable an exceptional experience of a pure, clean, safe and relaxing pool.

Since-1983

Dolphin™

S 300i

Choose the highest performing robot for your pool

Advance to a new pool cleaning experience with this top-of-the-line robot.

Dolphin S 300i is the smart solution for thoroughly cleaning any pool, in any conditions. It learns the best way to navigate, intelligently adapting to the pool shape and obstacles for maximum performance and efficiency.

Leave it all to Dolphin S 300i and enjoy:

Effortless operation

- Top-access filtration system – with quick, no-mess emptying and washing
- Lightweight, easy handling
- Fast, debris-free water release
- User-friendly smartphone MyDolphin™ app for convenience and control

Crystal-clear cleaning results

- Multi-layer filtration with fine and ultra-fine dirt capture
- Active brushing action scrubs away algae and bacteria
- Complete coverage of all pool surfaces – with PowerStream mobility system

Peace of mind

- Proven reliability – made by Maytronics, the leader in robotic pool cleaners
- Designed with the safest electrical components in the industry
- Rapid service and repair

Dolphin S 300i

Gain uncompromising pool cleaning results, while enjoying exceptional ease and freedom. Control your Dolphin S 300i through the multi-function power supply or use the MyDolphin app on your smartphone or tablet. The blinking LED indicates the active mode.
